Allenby St. In 1949 he designed the Ussishkin Building at 10 King George St. In 1950 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1951 he designed the Ussishkin Building at 8 Allenby St. In 1952 he designed the Ussishkin Building at 10 King George St. In 1953 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1954 he designed the Ussishkin Building at 8 Allenby St. In 1955 he designed the Ussishkin Building at 10 King George St. In 1956 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1957 he designed the Ussishkin Building at 8 Allenby St. In 1958 he designed the Ussishkin Building at 10 King George St. In 1959 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1960 he designed the Ussishkin Building at 8 Allenby St. In 1961 he designed the Ussishkin Building at 10 King George St. In 1962 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1963 he designed the Ussishkin Building at 8 Allenby St. In 1964 he designed the Ussishkin Building at 10 King George St. In 1965 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1966 he designed the Ussishkin Building at 8 Allenby St. In 1967 he designed the Ussishkin Building at 10 King George St. In 1968 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1969 he designed the Ussishkin Building at 8 Allenby St. In 1970 he designed the Ussishkin Building at 10 King George St. In 1971 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1972 he designed the Ussishkin Building at 8 Allenby St. In 1973 he designed the Ussishkin Building at 10 King George St. In 1974 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1975 he designed the Ussishkin Building at 8 Allenby St. In 1976 he designed the Ussishkin Building at 10 King George St. In 1977 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1978 he designed the Ussishkin Building at 8 Allenby St. In 1979 he designed the Ussishkin Building at 10 King George St. In 1980 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1981 he designed the Ussishkin Building at 8 Allenby St. In 1982 he designed the Ussishkin Building at 10 King George St. In 1983 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1984 he designed the Ussishkin Building at 8 Allenby St. In 1985 he designed the Ussishkin Building at 10 King George St. In 1986 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1987 he designed the Ussishkin Building at 8 Allenby St. In 1988 he designed the Ussishkin Building at 10 King George St. In 1989 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1990 he designed the Ussishkin Building at 8 Allenby St. In 1991 he designed the Ussishkin Building at 10 King George St. In 1992 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1993 he designed the Ussishkin Building at 8 Allenby St. In 1994 he designed the Ussishkin Building at 10 King George St. In 1995 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1996 he designed the Ussishkin Building at 8 Allenby St. In 1997 he designed the Ussishkin Building at 10 King George St. In 1998 he designed the Ussishkin Building at 19 Ben Yehuda St. In 1999 he designed the Ussishkin Building at 8 Allenby St. In 2000 he designed the Ussishkin Building at 10 King George St. In 2001 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2002 he designed the Ussishkin Building at 8 Allenby St. In 2003 he designed the Ussishkin Building at 10 King George St. In 2004 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2005 he designed the Ussishkin Building at 8 Allenby St. In 2006 he designed the Ussishkin Building at 10 King George St. In 2007 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2008 he designed the Ussishkin Building at 8 Allenby St. In 2009 he designed the Ussishkin Building at 10 King George St. In 2010 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2011 he designed the Ussishkin Building at 8 Allenby St. In 2012 he designed the Ussishkin Building at 10 King George St. In 2013 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2014 he designed the Ussishkin Building at 8 Allenby St. In 2015 he designed the Ussishkin Building at 10 King George St. In 2016 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2017 he designed the Ussishkin Building at 8 Allenby St. In 2018 he designed the Ussishkin Building at 10 King George St. In 2019 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2020 he designed the Ussishkin Building at 8 Allenby St. In 2021 he designed the Ussishkin Building at 10 King George St. In 2022 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2023 he designed the Ussishkin Building at 8 Allenby St. In 2024 he designed the Ussishkin Building at 10 King George St. In 2025 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2026 he designed the Ussishkin Building at 8 Allenby St. In 2027 he designed the Ussishkin Building at 10 King George St. In 2028 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2029 he designed the Ussishkin Building at 8 Allenby St. In 2030 he designed the Ussishkin Building at 10 King George St. In 2031 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2032 he designed the Ussishkin Building at 8 Allenby St. In 2033 he designed the Ussishkin Building at 10 King George St. In 2034 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2035 he designed the Ussishkin Building at 8 Allenby St. In 2036 he designed the Ussishkin Building at 10 King George St. In 2037 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2038 he designed the Ussishkin Building at 8 Allenby St. In 2039 he designed the Ussishkin Building at 10 King George St. In 2040 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2041 he designed the Ussishkin Building at 8 Allenby St. In 2042 he designed the Ussishkin Building at 10 King George St. In 2043 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2044 he designed the Ussishkin Building at 8 Allenby St. In 2045 he designed the Ussishkin Building at 10 King George St. In 2046 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2047 he designed the Ussishkin Building at 8 Allenby St. In 2048 he designed the Ussishkin Building at 10 King George St. In 2049 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2050 he designed the Ussishkin Building at 8 Allenby St. In 2051 he designed the Ussishkin Building at 10 King George St. In 2052 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2053 he designed the Ussishkin Building at 8 Allenby St. In 2054 he designed the Ussishkin Building at 10 King George St. In 2055 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2056 he designed the Ussishkin Building at 8 Allenby St. In 2057 he designed the Ussishkin Building at 10 King George St. In 2058 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2059 he designed the Ussishkin Building at 8 Allenby St. In 2060 he designed the Ussishkin Building at 10 King George St. In 2061 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2062 he designed the Ussishkin Building at 8 Allenby St. In 2063 he designed the Ussishkin Building at 10 King George St. In 2064 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2065 he designed the Ussishkin Building at 8 Allenby St. In 2066 he designed the Ussishkin Building at 10 King George St. In 2067 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2068 he designed the Ussishkin Building at 8 Allenby St. In 2069 he designed the Ussishkin Building at 10 King George St. In 2070 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2071 he designed the Ussishkin Building at 8 Allenby St. In 2072 he designed the Ussishkin Building at 10 King George St. In 2073 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2074 he designed the Ussishkin Building at 8 Allenby St. In 2075 he designed the Ussishkin Building at 10 King George St. In 2076 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2077 he designed the Ussishkin Building at 8 Allenby St. In 2078 he designed the Ussishkin Building at 10 King George St. In 2079 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2080 he designed the Ussishkin Building at 8 Allenby St. In 2081 he designed the Ussishkin Building at 10 King George St. In 2082 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2083 he designed the Ussishkin Building at 8 Allenby St. In 2084 he designed the Ussishkin Building at 10 King George St. In 2085 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2086 he designed the Ussishkin Building at 8 Allenby St. In 2087 he designed the Ussishkin Building at 10 King George St. In 2088 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2089 he designed the Ussishkin Building at 8 Allenby St. In 2090 he designed the Ussishkin Building at 10 King George St. In 2091 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2092 he designed the Ussishkin Building at 8 Allenby St. In 2093 he designed the Ussishkin Building at 10 King George St. In 2094 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2095 he designed the Ussishkin Building at 8 Allenby St. In 2096 he designed the Ussishkin Building at 10 King George St. In 2097 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2098 he designed the Ussishkin Building at 8 Allenby St. In 2099 he designed the Ussishkin Building at 10 King George St. In 2100 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2101 he designed the Ussishkin Building at 8 Allenby St. In 2102 he designed the Ussishkin Building at 10 King George St. In 2103 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2104 he designed the Ussishkin Building at 8 Allenby St. In 2105 he designed the Ussishkin Building at 10 King George St. In 2106 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2107 he designed the Ussishkin Building at 8 Allenby St. In 2108 he designed the Ussishkin Building at 10 King George St. In 2109 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2110 he designed the Ussishkin Building at 8 Allenby St. In 2111 he designed the Ussishkin Building at 10 King George St. In 2112 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2113 he designed the Ussishkin Building at 8 Allenby St. In 2114 he designed the Ussishkin Building at 10 King George St. In 2115 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2116 he designed the Ussishkin Building at 8 Allenby St. In 2117 he designed the Ussishkin Building at 10 King George St. In 2118 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2119 he designed the Ussishkin Building at 8 Allenby St. In 2120 he designed the Ussishkin Building at 10 King George St. In 2121 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2122 he designed the Ussishkin Building at 8 Allenby St. In 2123 he designed the Ussishkin Building at 10 King George St. In 2124 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2125 he designed the Ussishkin Building at 8 Allenby St. In 2126 he designed the Ussishkin Building at 10 King George St. In 2127 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2128 he designed the Ussishkin Building at 8 Allenby St. In 2129 he designed the Ussishkin Building at 10 King George St. In 2130 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2131 he designed the Ussishkin Building at 8 Allenby St. In 2132 he designed the Ussishkin Building at 10 King George St. In 2133 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2134 he designed the Ussishkin Building at 8 Allenby St. In 2135 he designed the Ussishkin Building at 10 King George St. In 2136 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2137 he designed the Ussishkin Building at 8 Allenby St. In 2138 he designed the Ussishkin Building at 10 King George St. In 2139 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2140 he designed the Ussishkin Building at 8 Allenby St. In 2141 he designed the Ussishkin Building at 10 King George St. In 2142 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2143 he designed the Ussishkin Building at 8 Allenby St. In 2144 he designed the Ussishkin Building at 10 King George St. In 2145 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2146 he designed the Ussishkin Building at 8 Allenby St. In 2147 he designed the Ussishkin Building at 10 King George St. In 2148 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2149 he designed the Ussishkin Building at 8 Allenby St. In 2150 he designed the Ussishkin Building at 10 King George St. In 2151 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2152 he designed the Ussishkin Building at 8 Allenby St. In 2153 he designed the Ussishkin Building at 10 King George St. In 2154 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2155 he designed the Ussishkin Building at 8 Allenby St. In 2156 he designed the Ussishkin Building at 10 King George St. In 2157 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2158 he designed the Ussishkin Building at 8 Allenby St. In 2159 he designed the Ussishkin Building at 10 King George St. In 2160 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2161 he designed the Ussishkin Building at 8 Allenby St. In 2162 he designed the Ussishkin Building at 10 King George St. In 2163 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2164 he designed the Ussishkin Building at 8 Allenby St. In 2165 he designed the Ussishkin Building at 10 King George St. In 2166 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2167 he designed the Ussishkin Building at 8 Allenby St. In 2168 he designed the Ussishkin Building at 10 King George St. In 2169 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2170 he designed the Ussishkin Building at 8 Allenby St. In 2171 he designed the Ussishkin Building at 10 King George St. In 2172 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2173 he designed the Ussishkin Building at 8 Allenby St. In 2174 he designed the Ussishkin Building at 10 King George St. In 2175 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2176 he designed the Ussishkin Building at 8 Allenby St. In 2177 he designed the Ussishkin Building at 10 King George St. In 2178 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2179 he designed the Ussishkin Building at 8 Allenby St. In 2180 he designed the Ussishkin Building at 10 King George St. In 2181 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2182 he designed the Ussishkin Building at 8 Allenby St. In 2183 he designed the Ussishkin Building at 10 King George St. In 2184 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2185 he designed the Ussishkin Building at 8 Allenby St. In 2186 he designed the Ussishkin Building at 10 King George St. In 2187 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2188 he designed the Ussishkin Building at 8 Allenby St. In 2189 he designed the Ussishkin Building at 10 King George St. In 2190 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2191 he designed the Ussishkin Building at 8 Allenby St. In 2192 he designed the Ussishkin Building at 10 King George St. In 2193 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2194 he designed the Ussishkin Building at 8 Allenby St. In 2195 he designed the Ussishkin Building at 10 King George St. In 2196 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2197 he designed the Ussishkin Building at 8 Allenby St. In 2198 he designed the Ussishkin Building at 10 King George St. In 2199 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2200 he designed the Ussishkin Building at 8 Allenby St. In 2201 he designed the Ussishkin Building at 10 King George St. In 2202 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2203 he designed the Ussishkin Building at 8 Allenby St. In 2204 he designed the Ussishkin Building at 10 King George St. In 2205 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2206 he designed the Ussishkin Building at 8 Allenby St. In 2207 he designed the Ussishkin Building at 10 King George St. In 2208 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2209 he designed the Ussishkin Building at 8 Allenby St. In 2210 he designed the Ussishkin Building at 10 King George St. In 2211 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2212 he designed the Ussishkin Building at 8 Allenby St. In 2213 he designed the Ussishkin Building at 10 King George St. In 2214 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2215 he designed the Ussishkin Building at 8 Allenby St. In 2216 he designed the Ussishkin Building at 10 King George St. In 2217 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2218 he designed the Ussishkin Building at 8 Allenby St. In 2219 he designed the Ussishkin Building at 10 King George St. In 2220 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2221 he designed the Ussishkin Building at 8 Allenby St. In 2222 he designed the Ussishkin Building at 10 King George St. In 2223 he designed the Ussishkin Building at 19 Ben Yehuda St. In 2224 he designed the Ussishkin Building at 8 Allenby St. In 2225 he designed the Ussishkin Building at 10 King George St.
